American Business Awards 2023

THE AMERICAN  
BUSINESS AWARDS<sup>SM</sup>

Welcome to The 21st Annual American Business Awards®, the leading business awards program in the U.S.A. This year about 35% of the more than 3,700 nominations became Stevie® Award winners. The winners were determined by the average scores of more than 240 professionals worldwide in the three-month judging process. Every organization in attendance tonight will be called to the stage in the order in which they reserved tickets, to accept their Stevie Awards and to make a brief acceptance speech. The presentations will be broadcast live via Livestream.

Stevie Awards competitions receive more than 12,000 nominations each year from organizations of every type in more than 70 nations. The American Business Awards is one of eight Stevie Awards programs, all of which recognize achievements in the workplace. Our other programs include The International Business Awards®, the Asia-Pacific Stevie Awards, the Middle East & North Africa Stevie Awards, the German Stevie Awards, the Stevie Awards for Women in Business, the Stevie Awards for Sales & Customer Service, and the Stevie Awards for Great Employers. We invite you to learn about them all at [www.StevieAwards.com](http://www.StevieAwards.com).

We congratulate you once again for winning a Stevie Award in The 2023 American Business Awards! Thank you for celebrating with us this evening, and best wishes for continued success!

Cordially,
