## ASIA-PACIFIC STEVIE® AWARDS

Welcome to the 11th Annual Asia-Pacific Stevie® Awards ceremony, the only awards program to recognize business innovation throughout the Asia-Pacific region. More than 1,000 nominations about innovative achievements were considered by the over 150 judges this year. Every organization in attendance tonight will be called to the stage once – in the order in which they reserved tickets – to accept their Stevie® Awards and to make a brief acceptance speech. The presentations will be broadcast live via Vimeo.

Stevie Awards competitions receive more than 12,000 nominations each year from organizations of every type in more than 70 nations. The Asia-Pacific Stevie® Awards is one of nine Stevie Awards programs, all of which recognize achievements in the workplace. Our other programs include The American Business Awards®, The International Business Awards®, the German Stevie® Awards, the Middle East & North Africa Stevie® Awards, the Stevie® Awards for Great Employers, the Stevie® Awards for Sales & Customer Service, the Stevie® Awards for Technology Excellence, and the Stevie® Awards for Women in Business. We invite you to learn about them all at [www.StevieAwards.com](http://www.StevieAwards.com).

We congratulate you once again for winning a Stevie Award in the 11th Annual Asia-Pacific Stevie® Awards. Best wishes for continued success!

Cordially,
