ASIA-PACIFIC STEVIE® AWARDS

Welcome to the 13th Annual Asia-Pacific Stevie® Awards, the only awards program to recognize workplace innovation throughout the Asia-Pacific region. More than 1,000 nominations about innovative achievements from the 29 markets of the Asia-Pacific region were considered by the judges this year. Every winning organization in attendance tonight will be called to the stage once — in the order in which they reserved tickets — to make a brief acceptance speech. The presentations will be broadcast live via Vimeo.

Stevie Awards competitions receive more than 12,000 nominations each year from organizations of every type in more than 70 nations and territories. The Asia-Pacific Stevie Awards is one of nine Stevie Awards programs, all of which recognize achievements in the workplace. Our other programs include The American Business Awards®, The International Business Awards®, the German Stevie Awards, the Middle East & North Africa Stevie Awards, the Stevie Awards for Great Employers, the Stevie Awards for Sales & Customer Service, the Stevie Awards for Technology Excellence, and the Stevie Awards for Women in Business. We invite you to learn about them all at www.StevieAwards.com.

We congratulate you once again for winning a Stevie Award in the 13th Annual Asia-Pacific Stevie Awards. Best wishes for continued success!

Cordially,
Maggie Miller
