Total 193 words used.

"PENSAR EN VOZ ALTA", a podcast written, developed, and hosted by Thony Da Silva, is dedicated to sharing diverse reflections and serving as a bridge to content designed to support the delicate task of managing intangible assets in favor of corporate reputation and sustainability.

This podcast, presented in a dynamic, concise, and straightforward format, addresses topics related to business, management, strategy, sustainability, and current trends in the corporate world, all from a thoughtful, critical, and forward-thinking perspective. Its core audience consists of professionals in the corporate and business sectors, specifically those involved in business management, business strategy, corporate communications, and leadership.

With Seasons 2023 & 2024 (21 episodes) PENSAR EN VOZ ALTA has reached almost 37,000 downloads, listened in over 30 countries, and it has reached positions in the Top 10, Top 5, Top 3, and #1 position several times in apple podcast charts across countries such as Venezuela, Honduras, Ecuador, Colombia, Guatemala, and the Dominican Republic.

It has been awarded a Stevie® Award in 2021 and 2024, and a Gold Muse Creative® Award in 2023 and 2024. Last 2024 season had +65% increase in new listeners (Spotify) and +39% followers (Spotify).
