The Seventh Annual Stevie® Awards for Great Employers

Welcome to the seventh annual Stevie® Awards for Great Employers, an international business awards competition open to all organizations worldwide. The awards recognize the world's best companies to work for, and the HR teams, professionals, achievements, new products, and suppliers that help to create and drive great places to work. This year about 49% of the more than 950 nominations became Stevie winners. Winners were determined by the average scores of more than 100 professionals over two months of judging in June and July. Every organization in attendance tonight will be called to the stage once — in the order in which they reserved tickets — to accept their Stevie Awards and to make a brief acceptance speech. The presentations will stream live via Livestream.

Stevie Awards competitions receive more than 12,000 nominations each year from organizations of every type in more than 70 nations. The Stevie Awards for Great Employers is one of eight different Stevie Awards programs, all of which recognize achievements in the workplace. Our other programs include The International Business Awards®, The American Business Awards®, the Asia-Pacific Stevie® Awards, the Middle East & North Africa Stevie® Awards, the German Stevie® Awards, the Stevie® Awards for Women in Business, and the Stevie® Awards for Sales & Customer Service. We invite you to learn about them all at www.StevieAwards.com.

We congratulate you once again for winning a Stevie Award in the 2022 Stevie Awards for Great Employers. Best wishes for continued success!

Cordially,

Maggie Miller, *President*
