BACKGROUND:

ZHC made its boldest move in the Philippine digital space by transferring ownership of TIM's 3 datacenters to Equinix(global giant). ZHC's strategy was to pivot from a traditional infrastructure ownership model to a global platform-based model, ensuring ZHC would not be trapped in an increasingly commoditized, capital-heavy datacenter race.

AVON'S INNOVATIONS:

ZHC transformation posed people risks: anxiety about employment continuity, skill relevance, and fears of organizational detachment. Avon responded with BREAKTHROUGH INNOVATIONS.

Avon implemented the proprietary ZHC GRAND CHANGE AND COMMUNICATION BLUEPRINT, a tech-driven transformation playbook that aligned ZHC–TIM–Equinix leadership and enabled global workforce transition at scale. Key innovations included:

- Launched the AI-Powered Centralized Communication Hub to automate cross-border updates, scripts, and FAQs, ensuring real-time, consistent messaging.
- Integrated the platform with Virtual 1:1 Check-Ins and Digital Town Halls to enable employee engagement.
- Deployed a Predictive Role-Risk Engine to identify at-risk roles and match them to redeployment paths.
- Conducted Virtual Enablement to train the Cross-Functional Transformation Champions.
- Used internal tech tools to run Daily Feedback Loops & Peer Engagement Triggers.
- Orchestrated Virtual Joint Leadership Forums to drive cross-company, cross-border alignment.
- Enabled Real-Time Synchronized Dashboards to track progress and execution.
- Rolled out a Hybrid (Digital/Face-to-Face) Employee Assurance Program with personalized support.
- Promoted Global Talent Mobility via targeted digital mentoring platforms.
- Activated a Virtual Feedback and Pulse Surveys for real-time issue capture & response.
- Linked Survey Data to Automated Escalation Protocols.
- Unified HR-PMO-leadership metrics through a centralized performance tracking system.
- Ran weekly virtual HR-executive huddles for agile decision-making.

c. Explain why the achievements you have highlighted are unique or significant. If possible compare the achievements to the performance of other players in your industry and/or to the nominee's past performance (up to 250 words). Required
