I do not wish to list additional contacts

Page: Entry Information

Entry Title

Euna Solutions™

Category

N01. Company of the Year - Government Technology

Company of the Year Submission Format

Written Answers

a. Briefly describe the nominated company's history and past performance (up to 200 words). Required

Euna Solutions is a leading provider of purpose-built, cloud-based solutions that power critical administrative & financial functions for the public sector. Euna Solutions offers easy-to-use solutions for procurement, payments, grant management, budgeting, permitting & K-12 administration that are proven to increase operational efficiency, transparency, collaboration, & compliance.

Euna Solutions is a trusted partner to more than 3,000 government & public sector organizations across North America, empowering digital transformation & streamlining business processes through a relationship-centered, service-focused approach.

In May 2023, Euna Solutions undertook a corporate-wide rebranding from GTY Technology & an organizational transformation to merge eight independent companies into one, bringing together best-in-class technologies to support public sector finance administrators with their day-to-day workflows. The company's efforts were recognized & celebrated with a 2023 Stevie Award for Great Employers in the Best Transformation Strategy category, further solidifying Euna's commitment to excellence.

Also, in 2023, Euna's team expanded to over 500 passionate employees all dedicated to building trust & enabling transparency in communities. Through the commitment of all of Euna's employees, the company reached a new milestone of serving over 3,000 customer agencies & organizations, welcoming more than 350 new customers in 2023; underscoring the trust & reliability Euna has built within the public sector.

b. Outline the nominated company's achievements since the beginning of 2022 that you wish to bring to the judges' attention (up to 250 words). Required

Since the beginning of 2022, following the rebranding in particular, Euna Solutions has made significant strides in enhancing public sector efficiency and societal progress. The company's unwavering support of thousands of customer agencies in the U.S. and Canada has resulted in the management of billions of dollars, enabling a vast array of transactions and projects that cater to the community's needs on both small and large scales.

Impressively, the 2023 milestones reached by Euna's solution lines include:

- Euna Procurement processed 79,465 transactions, amounting to \$28.7 billion of tax-payer dollars spent effectively and compliantly.
- Euna Budget managed \$371.3 billion in customer monies.
- Euna Grants facilitated 10,801 grants, representing \$26.9 billion in funds given to initiatives that drive positive change and development across communities.
- Euna Payments facilitated transactions worth \$4.1 billion through accessible kiosks and cashiering solutions.
- Euna Permit Guide enabled residents to automatically check 100,289 potential development projects for zoning compliance.
- Euna Special Education, a K-12 solution for simplifying the administration of special education programs, served 680,000 special needs students in North America.
- Euna further demonstrated its commitment to community by rebuilding its executive leadership team in 2023 with a CEO who has government experience and understands the market needs for technology and how to expand the reach and functionality of its products.

c. Explain why the achievements you have highlighted are unique or significant. If possible compare the achievements to the performance of other companies in the firm's industry and/or to the company's own past performance (up to 250 words). Required

Euna Solutions' mission is to supercharge the public sector through digitization while inspiring trust and confidence by helping agencies run more easily, connect with people, and be a place where their workforce and communities can thrive.

In 2023, Euna issued 17 news announcements, continuing to inform the media of significant updates, including a rebrand, acquisitions, events, live product demonstrations, reports, partnerships, numerous award wins, executive introductions, product launches and more. Euna's announcements are carefully curated to ensure the media is privy to exclusively newsworthy announcements. What makes the achievements listed in the above questions unique and significant is the variety of accomplishments. Each of Euna's products -- Euna Procurement, Euna Budget, Euna Grants, Euna Payments, Euna Permit Guide and Euna Special Education -- has made significant triumphs over the last year, further advancing and solidifying the overall impact of the company.

Euna has exemplified what it means to create products that empower public sector administrators with tools that support thriving communities. Euna continues to expand the reach and functionality of its products, for example, launching Euna Special Education in Pennsylvania and introducing Euna Budget: Strategic Budgeting, a first-of-its-kind offering that enables city leaders to connect their strategic plans with annual budgets.

d. Reference any attachments of supporting materials throughout this nomination and how they provide evidence of the claims you have made in this nomination (up to 250 words). Optional
