Company of the Year Submission Format Written Answers
a. Briefly describe the nominated company's history and past performance (up to 200 words). Required WorldVue, which rebranded from World Cinema in 2023, is a trusted provider of video, advanced connectivity and professional services to guest-centric properties worldwide. Privately owned and headquartered in Houston, Texas, the company serves over 7,000 properties with nearly one million rooms under management. With the brand's increasing reach, WorldVue now offers capabilities across the globe, servicing hospitality brands including Best Western, Choice, Hilton and IHG. From managed services to digital transformation, WorldVue is a single point of contact for all of a property's technology needs. The brand continues to lead the way with technology innovation and has grown rapidly with expansions into international markets within the past year.
b. Outline the nominated company's achievements since the beginning of 2022 that you wish to bring to the judges' attention (up to 250 words). Required Since 2022, WorldVue has rapidly expanded capabilities as well as their footprint resulting in the ability to service customers across all seven continents. With a dedication to customer service, WorldVue leads the way in delivering innovative technology solutions that enhance the resident, guest, and staff experience. They do this by offering products and services like WorldVue HUB™ - the fully customizable in-room entertainment solution. WorldVue has further transformed the digital space through innovative partnerships including ProSafe, to provide a more secure environment for hotel guests and employees at properties across the country, and OpenWiFi, to enable global deployment of Telecom Infra Project (TIP) OpenWiFi solutions - to name a few.
c. Explain why the achievements you have highlighted are unique or significant. If possible compare the achievements to the performance of other companies in the firm's industry and/or to the company's own past performance (up to 250 words). Required WorldVue stands out as a trusted provider of video, digital infrastructure, wireless connectivity, and professional services for guest-centric properties globally due to its unwavering commitment to innovation and excellence. What sets WorldVue apart in a competitive industry is their "from inception to operation" approach to integrating technology seamlessly into the guest experience. By offering a comprehensive suite of services that encompass everything from cutting-edge video solutions to robust wireless connectivity, WorldVue empowers properties to create truly immersive and memorable guest experiences. With a focus on enhancing guest satisfaction and loyalty, WorldVue's services go beyond traditional offerings to provide a customized and tailored solution for each property's unique needs. In today's digital age, where connectivity and convenience are paramount, WorldVue's technology solutions play a significant role in shaping the future of hospitality. By leveraging the latest advancements in video, infrastructure, and wireless connectivity, WorldVue enables properties to stay ahead of the curve and meet the evolving needs of tech-savvy guests. Whether through enhancing in-room entertainment experiences, streamlining guest communications, staff safety or optimizing operational efficiency, WorldVue's services are instrumental in elevating the overall guest experience. As a trusted partner to properties worldwide, WorldVue's unique blend of services not only sets them apart in the industry but also reinforces their position as pioneers in delivering innovative and impactful technology solutions to guest-centric properties.
